Hearing His Word

Faith comes by hearing, and hearing by the Word of God. Romans 10:17

If our faith isn't rooted in the Bible, it will wither like a plant pulled out of the soil. Billy Graham

It is very difficult to make sense of the many messages that we are bombarded with through the media today. Instantaneous information usually takes on a slanted tone that leaves us struggling to determine what is true.

What we know for a fact however is this - God is alive and in control and His Word has stood the test of time to be historically accurate and spiritually inspiring. His love story to us is quite simply something we need to be experiencing as much as possible. Our daily bread can keep us grounded and connected to the one true God.

Young people today need to hear God's Word. To read, meditate on and hear scripture is vital for a child's spiritual development. Parents can share this with their kids in the home and partner with Bible-based churches and schools to ensure that they are hearing God's Word as often as possible.

That is why we are blessed to be able to provide face-to-face instruction five days a week at our local Lutheran preschools, elementary and middle schools and at NEW Lutheran High. The most important thing to our families is the Biblical worldview taking hold as their children hear the word of God each and every day!

It's not easy but our teachers and administrators are doing a phenomenal job of continuing the emphasis to keep learning and to keep hearing about Jesus. Consider joining us for the coming school year!

May God bless you and your family in the new year!

In Jesus' name,

Mr. Chris Nelson - Executive Director
