A Love That Surpasses All Understanding

*Love never gives up, never loses faith, is always hopeful and endures through every circumstance. 1 Cor. 10:13
Those in the circle of Christ had no doubt of His love; those in our circles should have no doubt about ours.*
Max Lucado

Top notch academics, plenty of extracurricular activities, fine arts opportunities in music and theater and social opportunities for kids to get to know each other - Lutheran schools have it all! Or do we?

The reality is, there are many other schools in the Green Bay metro area that can also list these items as things they offer to their students. Lutheran schools are in trouble if we stopped there since we don't have the most up to date facilities or the latest and greatest technology or teams that win state championships seemingly every year.

What calls us back into focus, what drives us as the reason we exist is simple. We teach our students - past, present and future - to love others as Jesus first loved us. Having Him and His unchanging Word (the ultimate truth) at the center of everything we do puts us in a unique position to help strengthen the faith of our Christian students and to help lead students to Christ who may not know Him. By the grace of God, through the power of the Holy Spirit, we are free to share the Good News all day, every day. A true love story that is unbelievably freeing!

Please help us in this most important of missions. Young people are being led away from the truth of God's Word and from a relationship with their Lord and Savior, Jesus Christ. If you haven't tried it before, consider enrolling your child at a Lutheran school this year. We are seeing a much greater demand for what we offer and it is a gift that you'll never regret - surrounding your son or daughter with God's love through the amazing people that serve in our schools. You have nothing to lose and an eternity with God to gain for your child!

Thank you for your amazing support of our Lutheran schools!

In Jesus' love, *Ms. Chris Nelson* NEWLSA Executive Director

A NIGHT FOR KIDS Dinner Auction is quickly approaching.

Tickets are available for this great, in-person event on March 6th at the Rock Garden. To purchase your tickets, please visit www.newlhs.com to purchase online. If you can't make it but would still like to help support the school in reaching it's goal, you can donate online to the matching challenge.

Thanks for supporting Christian secondary education in our community - a growing demand for all families in the greater Green Bay area.

**If you would like to donate a basket/certificate/item for the auction, please visit our website for a donation form. We did not send out donation requests to businesses this year because everyone has been hit so hard but if you know of any business that would still be interested in giving a donation to our event, please direct them to our website.*
