Treasure's Report: Gay P – Unified receipts were \$669 short of budget for October, but we are still \$10,947 better than the YTD budget. When considering overall finances (income and expenses) with the loss of the Super Sale and Packer Servers we are still in good financial condition. Expense management the Federal Cares Act Loan and memorial funds have positioned us very well.

OSLC Personnel & Finance Meeting – Oct. 12, 2020

Treasurer's Report: Unified receipts for Sept. were \$56,133.25 over for the month by \$15,256.41 and over YTD by \$11,617.03. Gay will be working on budget within the next week or two. We will be watching spending in the remainder of 2020 and into 2021.

Reports: Scrip – Sales very light compared to last year because of pandemic restricting church attendance. Sales to date \$90,520 with a profit of \$4,908. 2019 total sales were \$313,995 with profits of \$17,781

Trinity – Trinity and NEWLHS report will be combined and done quarterly. Jay reported students were back in school and had to go back to virtual again this last week.

Old Business:

Trustees: Flagpole has been installed. Flying both American and Trinity flags. Interior painting has been ongoing. Team Clean is cleaning MWF, hiring of custodian has been put on hold until we are back to church on a fulltime basis. Parsonage will be checked for any repairs, some electrical fixtures, etc after the Racines have moved out. Trinity's 7th/8th grade teacher very interested without even seeing the place.

Gym lights have all been replaced with LED, now have 24 of old fixtures for sale, marketability questionable.

New Business:

Fish Fry status – Fish Fries on hold for now, fryers and flat top have been turned off. Refrigerator emptied and turned off. Mike will check to make sure it is secured so as to prevent any child from getting locked inside.

Adjacent Property – Mike spoke with property owners and they possibly will be looking to sell within the next 5 to 7 years. HVAC - Our current old system is outdated, whenever we have to have work done on it and parts replaced, we lose control over system from Michelle's computer and only have control of it for that room from the thermostat. Future cost – need to update our computer system for the HVAC. Potential cost \$15K or switch to entire new system at a cost of \$75K to \$90K. Painting doors – Exterior doors have been painted, holding off on internal doors for time being.

Altar Renovation – Mike suggested that maybe we should be looking at the Altar Renovation project now as estimates are getting old and we've lost control with the contractors, so many unknowns. Continue discussion next month.

Post Cards

- Will be sent to all members with addresses on file. There will be a request to update the individual contact information and a notice of upcoming Christmas services and activities

Advent Activities:

- Members/Friends of the Church will be asked to submit pictures each week to #OSLC for posting for all members to enjoy. One week will be pictures of Nativity sets, one week will be our Christmas Tree etc etc

Christmas Activities:

- We will support the Salvation Army Toys for Tots Programs with unwrapped donations collected at the church between November 9th and December 13th OR purchases made at Walmart will be delivered to the Salvation Army site
- We will collect wrapped donations of gifts for Borneman's Nursing Home at the church as we have been doing for many years
- Christmas cards will be sent to all active military members and family of members
- We will do Christmas cards instead of plants to our shut ins and will expand the shutin list to include additional elderly from the congregation who live alone
- We will be linking the Sunday School families with names of shut ins with a goal of the children sending cards and/or pictures from the children
